

**REFURBISHMENT OF THE GREEN/COMMITTEE ROOM  
WILL TAKE PLACE FROM 1<sup>st</sup> to 28<sup>th</sup> APRIL  
(THE MAIN HALL & KITCHEN WILL NOT BE AFFECTED)**

The management committee of the hall have been carrying out a refurbishment of the building over recent years. We now have the funding available to carry out the next phase of these works.

We want to provide as much advance warning as possible to our users, so I have provided details below when certain areas of the hall will be closed. Health and Safety are of paramount importance.

Refurbishment of the Green/Committee room with associated toilet and small kitchen will take place from the 1<sup>st</sup> to the 28<sup>th</sup> April. These areas will be closed during this period. The work will provide new: flooring, kitchen, sink cupboards, toilet and basin.

**The Post Office will be closed during this period.**

We realise that these improvements will cause unavoidable inconvenience to some users, but I think you will agree that they are long overdue.

If you have any specific concerns regards the above, please contact me at your convenience.

Best regards

Chris Poole (Chair) on behalf of the HWMH Management Committee
